LUKE 6:38

A KINGDOM PRINCIPLE IN MOTION

Luke 6:38 reveals a powerful Kingdom principle of divine reciprocity and overflowing generosity. Jesus ties our giving directly to our heart for others. When we live open-handed, giving not just our finances but our grace, our time, and our love, we step into the full, multiplying rhythm of God's blessing.

Some seasons become divine classrooms.

Storm School™ is a powerful 40-day journey through the divine classrooms of adversity, transition, preparation, refinement, and spiritual training, seasons we often misidentify as mere disruption, opposition, or delay. It equips believers to recognize what God may be revealing, developing, refining, and preparing through the storms and seasons of life.

Storm School™ Advanced Insights carries that journey into an advanced level of spiritual discernment and **Kingdom strategy**. It invites the reader beneath the lesson itself to uncover the hidden truths, paradigm shifts, strategic principles, discernment factors, and Kingdom applications embedded within what God is teaching.

A SPECIAL MESSAGE
From The Founder

Greetings in the matchless name of our Lord and Savior, Jesus Christ.

For more than three decades, I have had the honor of serving great leaders in the Kingdom: Bishops, Pastors, and ministry executives who bear God-given visions while navigating real-world challenges. I have witnessed firsthand the profound faith, personal sacrifice, creativity, and stewardship required to keep a divine assignment alive. That deep-rooted ministry experience laid the foundation, while concurrently, my corporate career forged the essential operational infrastructure and methodology required to build a system like this, including strategic analysis, project management, systems thinking, organizational strategy, communication, and execution within Fortune 500 companies.

Kingdom Impact Fundraising (KIF) was born at the precise convergence of these two worlds as a Spirit-Led, Strategy-Rich, and Kingdom-Focused model. It fuses strategic excellence with biblical principles to help ministry leaders generate revenue, mobilize purposeful action, and produce lasting Kingdom outcomes.

Scripture establishes that we do not have to choose between Kingdom conviction and strategic excellence. When God dealt with Joseph, He gave him spiritual revelation of what was coming, but He also infused him with strategic wisdom, systems, and economic foresight to store up resources and preserve nations. Joseph did not have to choose between revelation and strategy: God gave him both.

The release of this model represents an **Issachar** moment of discerning the times in divine timing. It was born from direct obedience to build the blueprint God downloaded, beginning with Luke 6:38: ***"Give, and it shall be given unto you."*** As culture and compliance standards shift, ministries need paths to steward vision without compromising convictions. While institutional grants offer support, changing requirements can force a difficult choice between access and biblical fidelity.

FULFILLING THE MISSION HELPS FUND THE MISSION. Every Kingdom Impact Fundraising campaign operates as an integrated mission. Whether your ministry is breaking ground in expansion, strengthening capacity during transition, or preparing for the assignment ahead, KIF meets you there. It advances a highly specific Local Impact Vision for your ministry, while simultaneously functioning as a Kingdom multiplier that places transformational resources directly into people's hands.

I am excited to partner with you as you step into all that God has assigned your house to do. Together, we can fund the vision, advance the mission, and create lasting Kingdom impact.

KINGDOM IMPACT FUNDRAISING™

TRANSFORM MINISTRIES. IMPACT COMMUNITIES. ADVANCE THE KINGDOM.

ANSWERS FOR KINGDOM LEADERS

REAL QUESTIONS. CLEAR ANSWERS. GREATER IMPACT.

Will this pull focus, volunteer energy, or administrative bandwidth away from our existing staff?

No. KIF was intentionally designed so fundraising does not become an ongoing ministry activity. Your team is not asked to solicit supporters for 30 days. The active engagement period is a defined 10-day window when your ministry connects with potential supporters, Business Partners, and your broader sphere of influence. Once that window closes, you stop actively fundraising and the campaign moves into the next phase: financial reconciliation, resource ordering, and fulfillment. Our turnkey structure and step-by-step resources keep the process focused and manageable for ministry teams already carrying the work of ministry.

Will a KIF campaign compete with our regular tithes, offerings, or existing giving initiatives?

Not at all. KIF is intentionally engineered to activate external capital rather than tax your internal budget. The campaign mobilizes your congregation's broader relational spheres, engages community supporters, and partners with local businesses to bring new resources into the house. Regular tithes, offerings, and ministry giving remain distinct and unchanged.

Who decides how the funds generated are actually used?

Your leadership retains authority over your ministry's retained revenue after satisfying the campaign's applicable resource-order and reconciliation requirements. Whether your mandate is launching a youth initiative, expanding community outreach, funding family recovery programs, acquiring property, or another approved Kingdom assignment, the capital generated is deployed according to your church's vision and governance.

What is required to get started, and is there financial risk for our church?

Getting started is simple. Scan the QR code and submit your KIF Request to Launch with your Local Impact Vision and proposed campaign dates. Once approved, you will review your Zeffy setup pathway, electronically sign your KIF Partnership Agreement, and submit the $150 Campaign Administration Investment. Ministries may set up Zeffy using our guided instructions at no additional setup cost, or choose Hands-Off Zeffy Setup for $49 (optional). There is no financial risk to your church, and all terms, responsibilities and timelines are clearly defined before launch.

Is there a minimum campaign commitment?

Yes. KIF campaigns require a minimum of 250 fully funded Kingdom Impact Resources. The campaign structure, participation tiers and closeout process are clearly established before launch so ministry leadership understands the commitment, responsibilities, and reconciliation process.

How much can our ministry generate? **See illustrative examples.*

KIF's campaign model connects the ministry's retained revenue to verified participation. At the established campaign benchmarks:

250 Resources	500 Resources	1,000 Resources
$2,800	$6,250	$12,500

The ministry secures the transformational Kingdom Resource at a special wholesale partner rate, allowing it to serve as a meaningful thank-you gift to supporters while energizing participation, helping fund the vision, and enabling the ministry to retain 45–50% of the revenue.

THE POWER OF PARTICIPATION:
100 Congregation Participants × 10 Supporters Each × $25 Impact Increment = $12,500 in Ministry-Retained Revenue.

What kind of theological oversight exists regarding the resources being distributed?

We honor the doctrinal integrity of your house. Before campaign activation, ministry leadership receives a 7-Day Storm School™ Sample Pack, providing an opportunity to personally experience the devotional's biblical teaching and transformational approach.

This allows your leadership team to review the Featured Kingdom Impact Resource through the lens of Scripture, spiritual growth and the convictions of your house before introducing it to your congregation and community. Your leadership knows your house. We want you confident in what you are placing into people's hands.

Is Storm School™ the only resource available through KIF, or will there be future offerings?

Storm School™ serves as the Featured Kingdom Impact Resource for KIF's initial campaign offering, but the KIF model is designed to grow beyond a single resource. Future Kingdom Impact Resources may expand the opportunities ministries have to equip people, address relevant areas of life and ministry, and create additional pathways for Kingdom Impact.

As the resource catalog develops, participating ministries will be introduced to applicable resources and campaign opportunities as they become available.

HEAVEN GAVE THE VISION. HERE IS THE ARCHITECTURE TO FUND IT.

You do not have to compromise your convictions, overburden your congregation, or pause ministry just to raise the resources necessary to fulfill the assignment.

Align your mandate with a strategy designed to sustain it.
